Sir:

TECHNOLOGY CENTER 2800

On April 21, 2003, Applicants timely filed a response to the Office Action in this application mailed on November 20, 2002 by first class mail.

Subsequently, it was noted that while the Office Action was non-final, the response was inadvertently captioned an "Amendment After Final Rejection". It is therefore respectfully requested that the April 21 Amendment After Final Rejection be re-captioned as an --Amendment-- and treated as such. Also, this error should not be construed as an admission that the Office Action should have been made final. Any confusion is regretted.

Prompt and favorable consideration of the subject application is earnestly solicited.

Respectfully submitted,

Certificate of Transmission (37 C.F.R. 1.8)
I hereby certify that this correspondence is being transmitted by facsimile to the United States Postal Service in accordance with 37 C.F.R. § 1.8 on the following date: April 23, 2003
